

**IN THE SPECIFICATION:**

**Please amend Page 1, Lines 5-11 of the specification as follows:**

The inventors of the present invention have filed a related patent application concurrently with this application entitled "System and Method for Detecting the Onset of An Obstructive Sleep Apnea Event" as Patent Application Serial No. 09/641,982, which has been issued as United States Patent No. 6,666,830 on December 23, 2003. The related patent application and the inventions disclosed therein are assigned to the assignee of the present invention and are incorporated herein by reference for all purposes as if fully set forth herein.
